Some of the items will be placed in a "community" bin for all students. Therefore, we ask that you **DO NOT** write your child's name on any of the items unless specified. The brands specifically mentioned have been proven to be of good quality, as well as long-lasting (especially the pencils). In addition, the purchase of these specified brands ensures the continuity of our community supplies and thwarts discussion over who bought what or who gets what! Thank you so much! We are looking forward to a great year in 2<sup>nd</sup> grade!
