The specific brands mentioned are proven to be of good quality and long-lasting (especially pencils and erasers). The purchase of these brands ensures the continuity of our community supplies and thwarts discussion over who bought or who gets what! Thank you so much! We are looking forward to a great year in 2nd grade!

Items with an * and/or highlighted will be asked for throughout the year on a rotated basis due to limited storage in the classroom. So, we ask for the specified amount at the beginning of the year.
